

Auction Policy

AUCTION POLICY

Unimoni Financial Services Ltd., ('Company') has formulated various lending schemes against the collateral security of Gold ornaments. Borrowers has to repay the loan amount together with the accrued interest and other charges due (if any) latest by the end of the tenure fixed as per norms prevailing in each schemes. The asset pledged under the loan accounts with nil/part repayment (including interest and other charges) within the fixed tenure, shall be taken for public auction after complying with herein laid down process and procedures, as per the RBI norms and regulations*. Public auction can be also initiated whenever probability of a short fall in the releasable value of the security pledged at the prevailing market rate from the total dues payable by the borrower, is anticipated. However, the Company will take all possible efforts to persuade the Borrowers to release the jewelry by repaying the dues so as to avoid auction.

In tune with the above guiding principles, the auction policy and procedure of the auction shall be as follows:

1. AUCTION PROCEDURES

As advised in the above notifications from RBI to put in place an Auction policy duly approved by the Board of Directors, the existing policies and procedure will be replaced in full.

(a) "Public Auction"

The term "Auction" used in the policy shall mean realization of asset pledged under any Gold loan scheme in the Company, through public auction only.

(b) Organization structure for auction

The Company shall have a dedicated division in Head Office to initiate, supervise and monitor the auction procedure including adherence to the approved policy. The division will function under the overall control of Loan Product Head. RAH/ZAH/BH/RH any of these officials shall be present at the auction centers and oversee the actual auction proceedings, and they will be entrusted with the responsibility for the proper conduct thereof.

(c) Identification of Accounts for Auction

The Central Loan Team has to identify the "Auction Account" and to initiate & complete the auction process adhering to the approved auction policy. In normal circumstances "Auction Account" will be identified from the below:

1. Auction after completing the loan tenure

- (i) All gold loan accounts in which the interest and other charges not paid in full, on completion of the tenure fixed as per the norms of the scheme.
- (ii) All gold loan accounts which has been classified as NPA in accordance with the policies laid down by the Company as per market conditions.

2. Auction before completing the loan tenure

- (i) Auction due to depletion in security value – If there is an erosion in the realizable value of the asset pledged under any gold loan scheme to cover the dues (Principal + Interest + other charges), such cases can be taken for auction. The Central Loan Team should monitor the releasable value of the asset pledged in accordance with the price of gold in the market.
- (ii) Auction of Gold ornaments identified as spurious / low quality – The loan account in which pledge of spurious / low quality gold ornaments have been detected subsequent to disbursement may be taken up for auction .
- (iii) Before moving gold loan accounts for Auction under the above exceptional situations, internal recovery procedure should be initiated to recover the dues from borrowers. Branch can submit the details of initiatives taken for recovery of such cases to Central Team for consideration. They will proceed auction of such cases, if the initiatives taken are satisfied.

(d) Authorization for gold auction

Once the accounts has been identified and listed as “Auction Accounts” by Gold Loan Dept, the proposal in a structured format shall be put up to the Product Head for approval. The Central Team shall ensure that the list is accurate, complete and in compliance with the approved Auction Policy.

(e) Intimation to the borrowers

- (i) Once an account has been identified as “Auction Accounts” a notice shall be send to borrower by registered post with acknowledgement due card requesting them to immediately pay the dues failing which the assets pledged under the loan account would be put on public auction without further notice for the recovery of the dues in the loan account. The notice should send in an approved format furnishing the date, time and venue of the auction
- (ii) If any such notices returned undelivered to the borrower, intensive action should be taken to locate the borrower, reconfirm the KYC documents and re-evaluate the asset pledged. The responsibility for ensuring the compliance would be vest with the concerned branches from where the loan was processed, unless otherwise instructed by the Company.
- (iii) The acknowledgment card or unopened, undelivered letters etc. should be preserved and systematically stored for future retrieval.

The responsibility to ensure the compliance with the above policy guideline shall vest with the Central Team. Approved format for Auction notice is given in annexure 1. Timelines for sending intimation to customers are given below;

DPD / Margin	Type of Letter	Mode
30 DPD	Due Letter	Registered Post
60 DPD	Loan Recall & Auction Letter	Registered Post
Below 10% Margin	Margin cum Auction Letter	Registered Post
On Principal due date	Principal Due notice	Registered Post

(f) Auction centers

- (i) The auction should be conducted in the same taluk/Districts where the branch is located, so that all the branches, where the auction accounts belongs, shall be considered as auction centers.
- (ii) The company management may accord approval for new auction centers from time to time if needed.
- (iii) Auction centers should be equipped with appropriate, adequate and functional infrastructure such as space, storage arrangements, CCTV cameras, electronic weighing balance etc.

(g) Auction Announcement

- (i) An advertisement showing the details of accounts listed for auction with date, time and venue shall be issued in at least two local newspaper, one in a vernacular language and other in a national daily.
- (ii) Such notification in newspapers should be published at least 2 days before the scheduled auction date.
- (iii) Copy of the auction announcement shall be displayed in the notice board of the branch.
- (iv) Compliance of the above policy to be ensured by respective zonal offices.

Approved format of the auction advertisement is given in Annexure II

(h) Auction Lots & Reserve price

- (i) The ornaments taken for auction must be segregated into convenient lots to facilitate easy disposal based on various factors such as purity, quality, expected number of participation of bidders and prevailing market rate of gold.
- (ii) The ornaments should be auctioned off at a price close to the prevailing market price on the day of auction. A reserve price for each lot to be fixed by Central Team considering the prevailing market rate. The proposed reserve price for auction shall be above 90% of the previous 30 days average closing price of 22 carat gold as declared by IBJA (India Bullion Jewelers Association Ltd). The value of the ornaments of low purity in terms of carat can be proportionately reduced.
- (iii) Adequate insurance coverage and security must be arranged in advance considering the quantity and the number of participants.

(i) Due diligence of participants in Auction and Earnest Money Deposit.

- (i) A reasonable amount EMD (Earnest Money Deposit) should be remitted by each participant. The EMD amount will be fixed by Company from time to time considering the volume of auction accounts and prevailing market conditions.
- (ii) Any participants to be allowed into the auction hall only after proper KYC verification. Copy of the PAN card shall be collected from them.
